| 6.find  | 13. by  |
| 7.right | 14. why |

- Bonus:**
- 15.behind
  - 16. lightning

Dear Parents,

February is off to a great start. Next week is a week of celebrations. Next week we will celebrate 100 days of school and Valentine's Day! On Friday students can wear a pair of Pajamas to school for our class READ-IN Party as a treat for working so hard this year!

Thank you!  
Ms. Strugala

## MATH

Students are wrapping up unit 5 soon and practicing using addition and subtraction strategies to solve story problems. At home, they can take time to play math games on Map Math at their new score level. These numbers are the score that was shared with you with their second quarter report card on their MAP report. Here is the website: (also on my website)

<http://www.sowashco.org/parents/virtual-media-center/math/map>

## SCIENCE:

**Force and Motion:**

Students are learning about simple machines that make "work" easier. How many levers, ramps, wheels, pulleys and gears do you have in just your home? Make a list and bring it to school to share.

## HOMEWORK

Due on 2/16/2019

Read 20 minutes each night

5 minutes per day basic facts practice

Math HomeLinks: 5.8, 5.9, 5.10, 5.11
